hb™

Named for the low-key yet sophisticated coastal city of Huntington Beach, HB reflects modern style, finesse, and comfort. With its clean lines HB brings high design down to earth. The 3D knit version features a double layer of knit to support and conform to any back shape; the 3D knit evenly distributes body weight while eliminating pressure points. Choosing fabric, leather, vinyl, or one of six designer 3D knit colors to dress HB will change its personality. Options include mid back, high back, multiple arm and control choices, and a seat slider.
